Registration of Scopus

1. Please visit [www.scopus.com](http://www.scopus.com) and click on register if you have not already registered or login if you have an account

2. Please enter the required information. **Scroll down the page and choose your role and field of interest and press register**

3. A confirmation page will open and the confirmation email will be sent to the email address that you entered
4. You will observe (top right corner) you are logged into your own space on the Scopus website. Once you are in please perform a author search with your name.

5. Once you have made the search your articles will appear in a table with the article title and authors, date, journal title, and number of times cited. After that you can add the articles to your personal list by clicking on ‘Add to My List’.
